A Big Problem

The Philistines had a giant named Goliath. He was very tall and very strong. He stood in the valley and challenged the people of Israel every day. He made fun of God's army, and everyone was afraid.

David's brothers were soldiers, but David was a shepherd. He went to visit his brothers at the battlefield. While he was there, David heard Goliath challenging the people of Israel. David knew that Goliath should not speak about God's people that way, and he decided to face him.

A detailed illustration of the biblical story of David and Goliath. On the right, Goliath, a giant Philistine warrior, stands in a valley. He is depicted with a large, muscular build, a long dark beard, and a stern expression. He wears ornate golden and blue armor with red accents, including a helmet with a crest. He holds a large, round, golden shield decorated with patterns and a long spear with a sharp point. In the lower-left foreground, David, a young shepherd, is seen from behind. He has curly brown hair and is wearing a simple white tunic with a brown sash and a bag slung over his shoulder. He is looking up at Goliath. In the background, a large army of soldiers in similar armor is visible, along with red flags flying on poles. The landscape is rocky and hilly under a bright, slightly cloudy sky.

"When the Philistine looked up and saw David, he despised him, because he was only a young man."

1 Samuel 17:42

A Big Faith

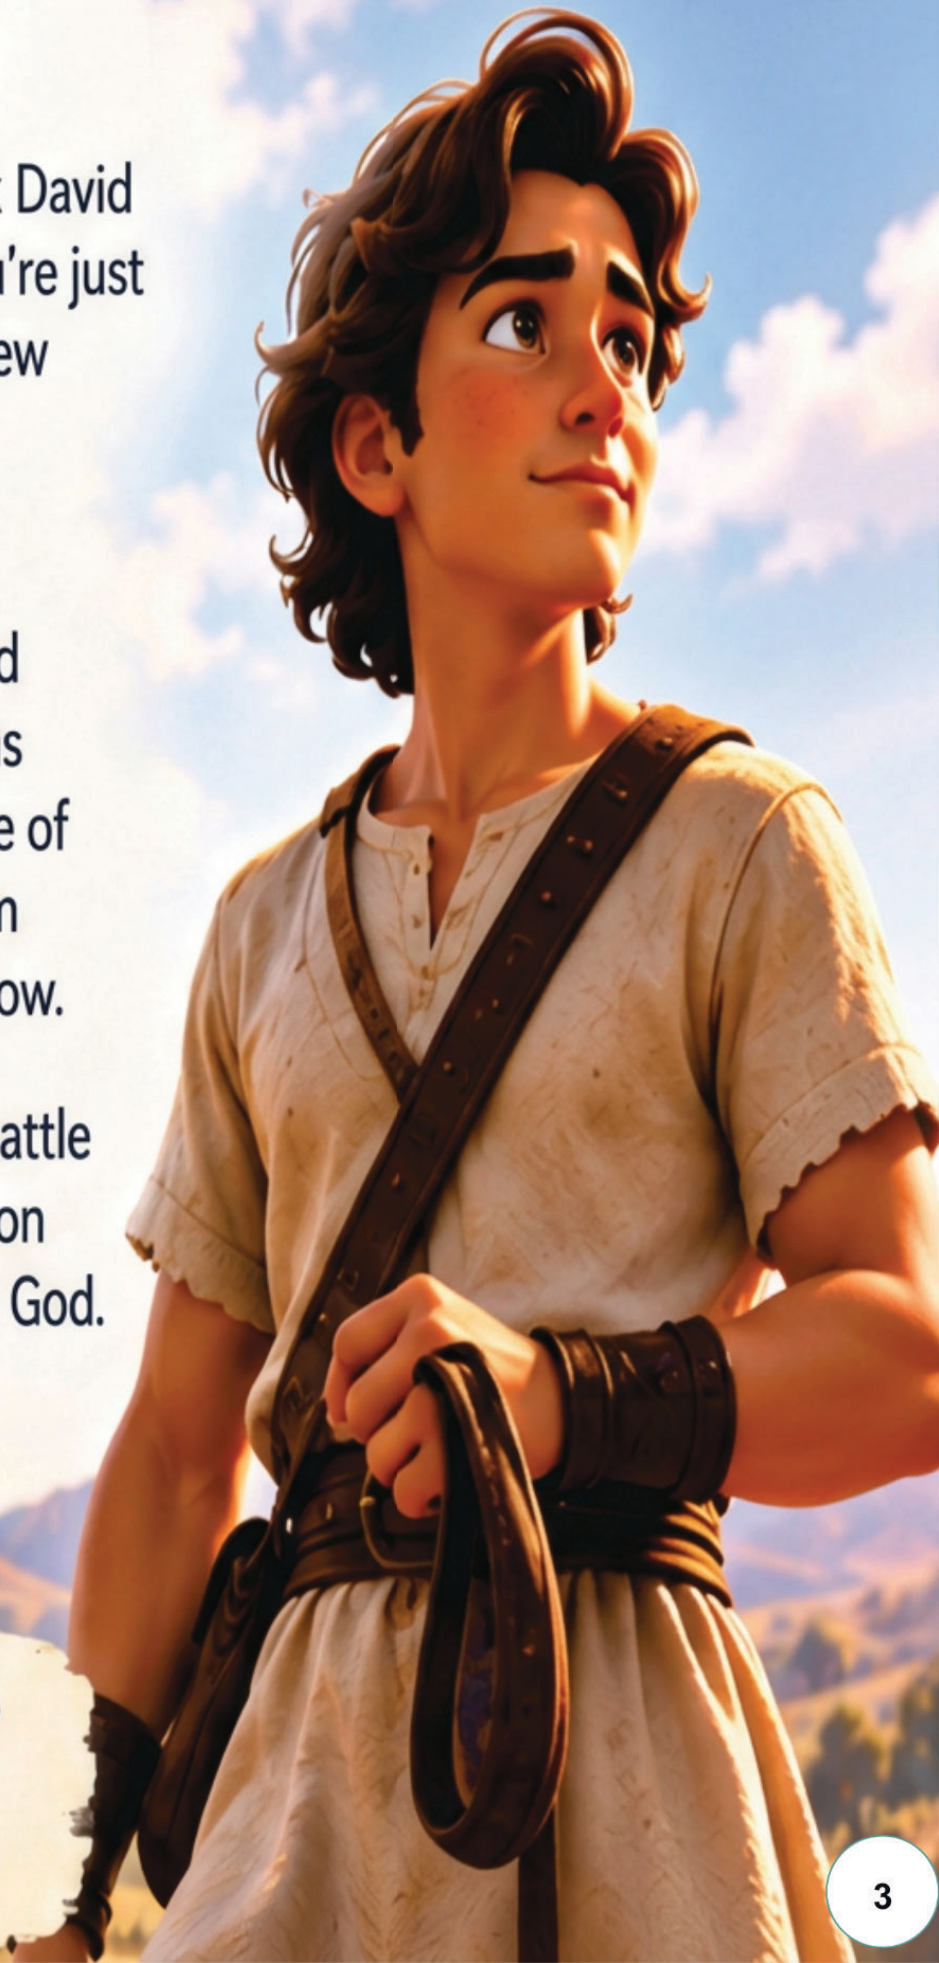

David's brothers didn't think David should fight. They said, "You're just a young man." But David knew something they forgot — God is with me.

David remembered how God had protected him from lions and bears while he took care of the sheep. If God helped him before, He could help him now.

David told King Saul, "The battle is the Lord's." He didn't rely on his own strength. He trusted God.

"The battle is the Lord's."

1 Samuel 17:47

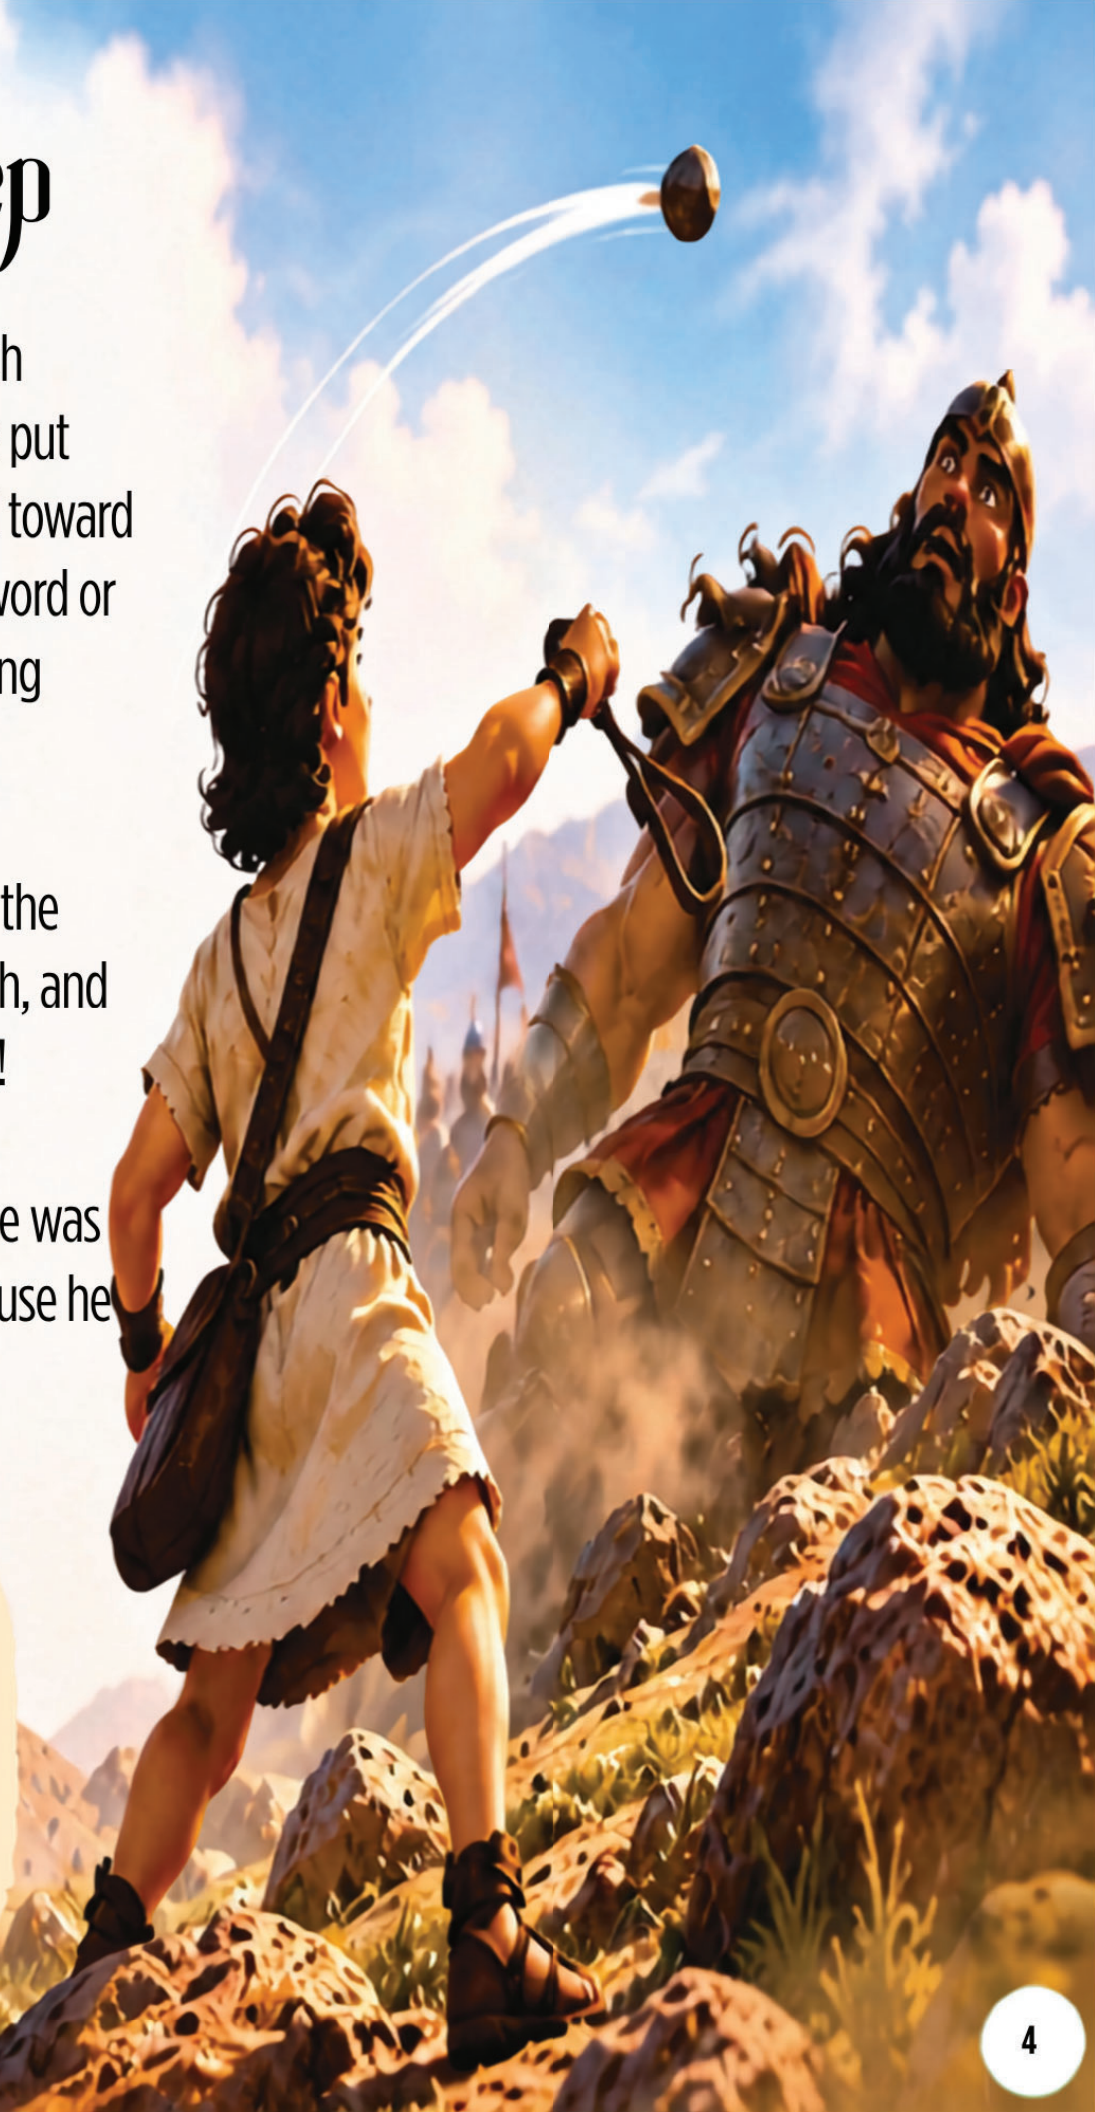

A Brave Step

David picked up five smooth stones from the stream. He put one in his sling and walked toward Goliath. He didn't have a sword or armor, but he had something greater — God.

David swung his sling, and the stone flew true. It hit Goliath, and the giant fell to the ground!

David didn't win because he was big or strong. He won because he trusted a big God.

*"The Lord gives victory."
1 Samuel 17:50*

A Big God

David and Goliath teaches us that no problem is too big for God. When we trust Him, He gives us courage, strength, and victory.

Remember:

God is with me.

I can be brave even when it's hard.

God is bigger than my fears.

I can trust God in every situation.

*"Be strong and courageous,
for the Lord your God is with you
wherever you go."*

Joshua 1:9

A Little Prayer

Dear God,
Thank You for being bigger than my fears.
Help me to trust You, be brave, and remember
that with You, all things are possible.
Amen.
